RE: Power Idea Technology Limited
FCC ID: ZLE-RG700RG970
FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Power Idea Technology Limited requests that the following documents regarding this submission for FCC ID: ZLE-RG700RG970 be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Schematics.pdf
Operational Description	Operational Description.pdf
Part list	BOM.pdf
Tune-Up-Procedure	Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which Power Idea Technology Limited considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Power Idea Technology Limited considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,

Alex Ma
